

2016 ELECTION CHART

The following is a list of preliminary state and congressional election dates. Although NAB has made every attempt to obtain the most accurate election information available, we advise stations to consult with their local and state election officials to verify all election dates. Stations should also consult with local counsel to obtain information on party caucuses to determine if the lowest unit charge (LUC) window applies.

The general election will be held on **TUESDAY, NOVEMBER 8, 2016**. The LUC window for the general election will open **FRIDAY, SEPTEMBER 9, 2016**. For more information, please consult the NAB Broadcast Catechism, 18th edition, or call the NAB Legal department at (866) 682-0276.
